Undoubtedly, the book will stir students' interest and assist them in tackling questions relating to poetry in English Literature in various examinations.

ISBN: 978-978-52270-8-6

A Midsummer Night's Dream was written between 1595 and 1596 set in Athens, the play follows the trials, heartache, and eventual happiness of two Athenian couples and the entertaining antics of meddling, magical fairies. The main plot involves two sets of couples –Hermia and Lysander, and Helena and Demetrius – whose romance are complicated by the whims of Oberon and Titania, the king and Queen of the Fairies and their servant pack.

Shakespeare's lighthearted play explores the capricious, dream-like and sometimes ridiculous nature of love. A Midsummer Night's Dream brings further humor with its play-within-a-play format, in which a group of craftsmen celebrate the upcoming marriage of Theseus and Hippolyta by putting on a badly performed play.

ISBN: 978-978-51738-3-2

Senior Secondary Series
